ABOUT US

Global Commodities for General Trading L.L.C is an established company with a strong reputation and a commitment to customer satisfaction. We have never compromised on the quality of our products or the services we provide to our customers.

We believe in keeping our customers satisfied by offering excellent products at competitive prices and with high quality. Our experienced team works closely with our clients, sharing market trends and providing practical trading guidance.

Our factories provide premium packaging using advanced technology under the quality control standards of internationally recognized organizations (SGS / ISO 9001). We work with agricultural crops, seeds, herbs, vegetables and fresh fruits.

COMPANY HISTORY

Established in 1940

We began by establishing a strong local presence before expanding toward Western markets and entering the import and export business.

We work through long-term contracts with a number of companies across Asia and Europe.

We consider our business partners more than just commercial transactions. We provide market guidance regarding Egypt and support any additional services they may require.
